

# Tunnel Tactics

Task: Design and build a short tunnel section that is reinforced so it can support a force from above.

Calculate your costs—each piece of material comes at a cost!

Complete the table below to show what materials you use to build your tunnel section.

Material	Unit cost	Units used	Cost (£)
A4 Card	£1000 per sheet		
A4 Paper	£500 per sheet		
Straws	£100 per straw		
Pipe cleaners	£750 per 30cm		
Total:
